**PROJECTS FOR KHARKIV REGION**

# saved — is a charitable foundation,

that restores life in communities affected by war through educational, social, and infrastructure solutions.

Our big team

# AREAS OF WORK:

## OUR APPROACH: COMPREHENSIVE RECOVERY

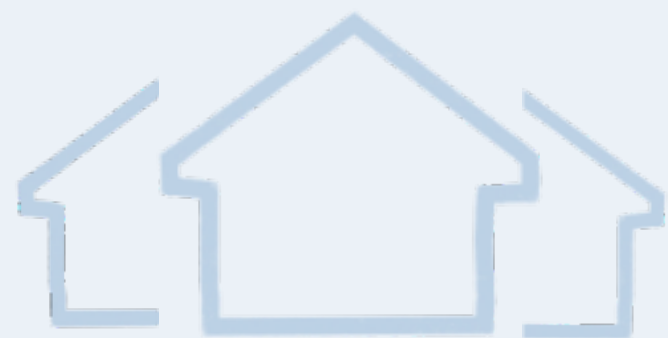

We work in communities across several areas at once to restart full-fledged life where it was halted by the war.

## SOCIAL SOLUTIONS

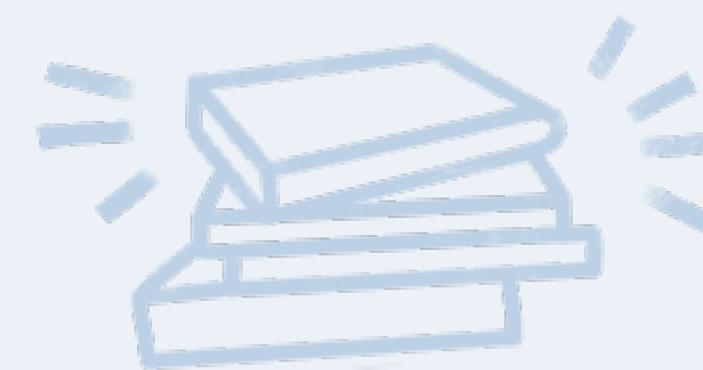

- ▶ **UActive** — an educational program for adolescents from small communities
- ▶ Psycho-emotional support programs for educators

## EDUCATIONAL SPACES AND RECONSTRUCTION

- ▶ Temporary schools
- ▶ Safe shelters
- ▶ Learning centers («EduHive», UNICEF Digital Education Centers)

## EDUCATIONAL SOLUTIONS

- ▶ Programs for overcoming educational loss
- ▶ Curricula tailored for upper secondary school students
