BE AN ANGEL

Cities and Regions in Focus: Kherson – Platform Wiederaufbau Ukraine

www.be-an-angel.org

MISSION.

EMPOWERING REFUGEES

We are a global non-profit organization dedicated to saving lives, protecting human rights and building a better future for people who have experienced displacement.

- 01. **Sustainable & Economical Integration**
We provide a wholistic one-step agency to empower refugees to sustainably and economically integrate.

- 02. **Emergency Response**
We provide humanitarian aid, evacuation routes, mental health programs, financial support and more in over 4 different crisis areas.

- 03. **Localized & Sustainable Support**
We empower local NGOs in Ukraine by providing them with technical and financial support

Be an Angel Impact 2022-2024

● **1.3M**

Be an Angel in Kherson

Long-term presence & operations

- Active in the Kherson region for **more than three years**
- Continuous operational work under **high-risk conditions**

On-the-ground oversight

- Ongoing accompaniment of aid operations through personal presence by Andreas Tölke & Alexandra Pavlenko (Be an Angel Ukraine)

Cooperation with authorities

- **Memorandum signed** with the Military Administration
- Activities are **coordinated, approved, and operationally secured**

Local partner network

Stable cooperation with “**Strong Because Free**”
(Сильні бо вільні)

- Duration of cooperation: **over two years**
- Reliable implementation and strong local anchoring
- Partner organization included in a **Be an Angel-initiated expert conference** for Ukrainian aid organizations in Berlin
- Focusing on the concept of **localization**.

Key Program Areas:

Energy & heating infrastructure

Coalition of 42 organizations to ensure emergency power supply

LATEST:

- Delivery of generators and **fan heaters** for shelters, clinics, and civilian facilities
- **Documented, traceable distributions**
- Around **300 civilian shelters and air-raid basements** in Kherson without electricity and heating
- Negotiations on **diesel vouchers** to ensure generator operation

THE RESULT

Number of Organizations in our Coalition: **42**

Number of Generators supplied **1.715**

Total Market Value of the Generators at the Time of Crisis **€ 2,2m**

Total Additional Costs Avoided **€ 1,2m**

Key Program Areas:

Evacuations

- Evacuations from the city of Kherson and other high-risk areas

LATEST:

- Evacuation to the **first safe accommodation**. Further transport to the **Seeth reception center (Northern Germany)**
- Cost: approx. **€8,000**
- Further evacuations planned
- **All evacuations to date fully donor-funded**

Key Program Areas:

Fire safety

- Distribution of more than 3,000 fire extinguishers
- Procurement and delivery of firefighter gear for 11 regional fire departments
- Facilitation of delivery of 2 fire Trucks

Key Program Areas:

Children and Youth

- Support for children who spend **school and after-school hours in shelters** due to the **ongoing disruption of regular schooling**
- Learning support, informal classes, and psychosocial assistance** currently take place **primarily in basement shelters**; outdoor activities are largely impossible given the security situation
- LATEST**: expansion and renovation of an additional **rent-free basement space** to create a safer, more structured environment, especially for **children with special needs** (e.g., autism) who require more individualized support
- Estimated renovation cost: **~€16,000** (planned to be **fully donor-funded**)
